To Eddie: A good ball player & a good sport. Good luck & lots of it. Kenney Keighin 45'

To every thing there is a season, and a time to every purpose under the heaven:

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to restrain from embracing;

A time to get, and a time to lose; a time to keep, and a time to cast away;

A time to rend, and a time to sew; a time to keep silence, and a time to speak;

A time to love, and a time to hate; a time of war, and a time of peace.

Office Staff

Under the guidance of Dr. Waggoner and Dr. Larsen the office staff has ably performed all those duties so essential to every high school. Checking attendance, signing tardy and absence excuses, planning schedules, and making out report cards are just a few of the responsibilities of the University High School office staff.

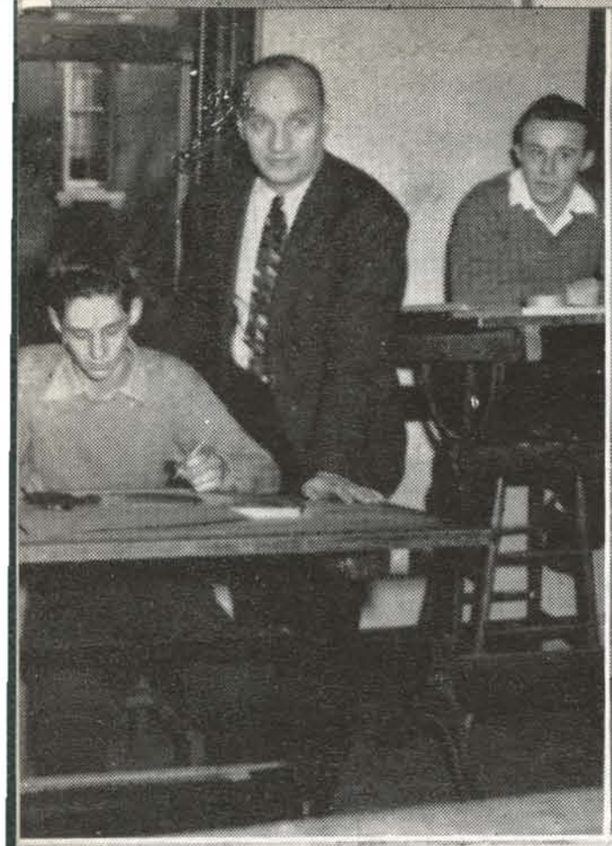

Excellent student help was given by Betty Von Allmen, Lois Jahnke, Betty Foreman, and Wesley Stephens. This is Wesley's fourth year of service on the staff. We have appreciated the kind help and service of all members of the staff.

Classes

Leroy Peyton, James Heavey, Charlotte Ratcliffe

Senior Class

With Jim Heavey, Leroy Peyton, Charlotte Ratcliffe, and Bob Cass serving as president,, vice-president, secretary, and treasurer respectively, the class of 1942 had a gay year. Here is a brief resume of the various activities of the Senior class:

A three-act play, "Alice Sit by the Fire," directed by Miss Ruth Yates, was presented by the seniors on March 9. Charlotte Ratcliffe and Bill Ellison had the leading roles in this play. The seniors held their annual picnic near the end of the school year, and on June 2, Dr. Waggoner gave a tea for them. The beautiful and very impressive baccalaureate service was held on May 31. Senior class night, high in spirit and gay in activity, was the most recent of the senior activities.

A typical feature of the Senior class was the Senior Board, composed of representatives from the class. It was the duty of this board to make decisions, in behalf of the entire class, on problems confronting it. This year's board took charge of the commencement invitations, the activities of class night, and other events. The board was composed of Audrey Genders, Dick Hall, Harlan Bliss, and the class officers. Mr. Ivens was the sponsor of the Senior class and faculty adviser of the Senior Board.

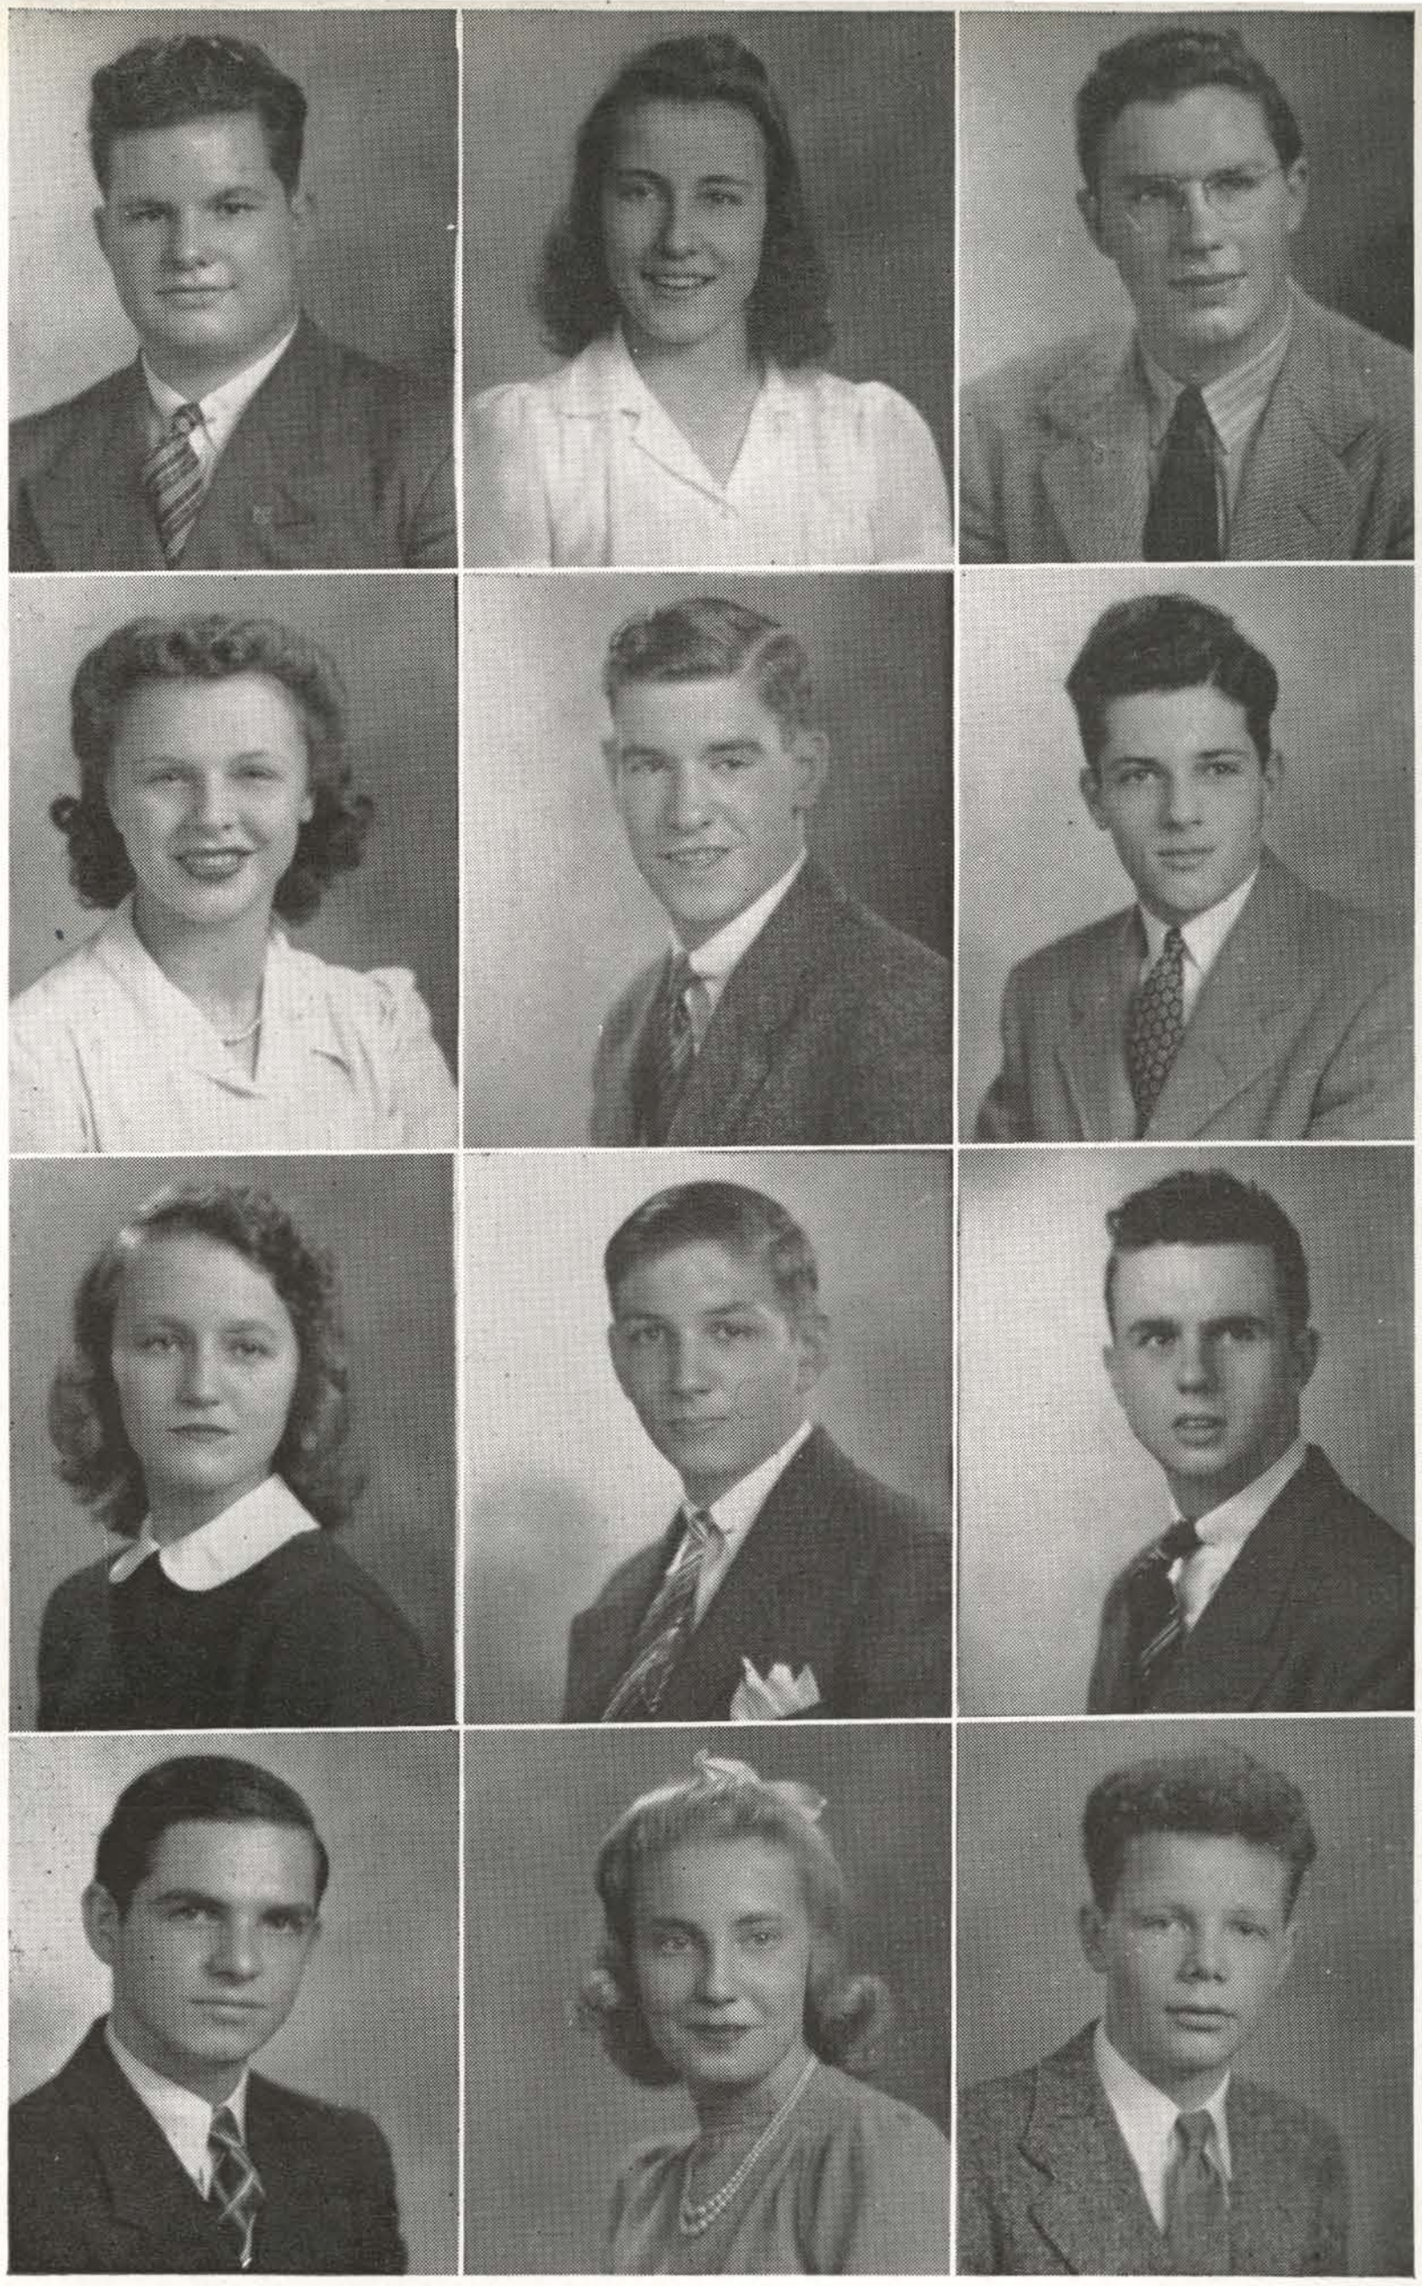

The most important event for the seniors during their entire high school career was held on June 5. The graduation exercises were very impressive with the seniors in their grey caps and gowns marching in and then out for the last time. After four years of hard work, the seniors had achieved their final victory.

Junior Class

On the land, in the air, and on the sea, it's the Juniors! Mary Brown, president; Gloria Sampson, vice-president; Phyllis Watkins, secretary; and Dr. Ellwood were the leaders of the class during the past year. Representatives for the student council were Gloria Sampson and William Popejoy.

The Junior class had many expenses to meet. Early in the school year they started to earn money by selling candy at the football games. They also took care of refreshments for the basketball games. The annual Junior play, "A Day in the Sun," also helped to raise their budget. Most of this hard-earned money went into the annual Junior-Senior banquet and prom, which was held on May 22, 1942. Several committees were selected by the juniors to plan this affair. Due to careful planning of these committees, it was a great success.

The juniors selected their class ring and pin with great care. The ring contained, as usual, the high school emblem set on the desired stone.

During their three years at University High School, the juniors have participated in many different clubs and activities. Among the outstanding ones are the music organizations—band, orchestra, and chorus. The Chess Club has also been very popular with the juniors.

Sophomore Class

In September the sophomores held a meeting in the U. High study hall at which time they elected Jane Limber, president; Wilmer Amacher, vice-president; and Beverly Taylor, secretary-treasurer. Ted Weldon and Bill Hogan were also elected as Student Council representatives. Since then the class has held regular monthly meetings.

On November 28, 1941, a "Snow Ball" was held in Cook Hall. The "Ball Room" was decorated with balloons, streamers, and various snow scenes. Margaret Johnson acted as chairman of the decoration committee with Connie Kinneman, Jean Lamkey, Bill Hogan, Dean Creager, and Ted Weldon as her able assistants.

Being a versatile class, the sophomores of University High have a good representation not only in the various sporting and musical organizations of the school but also in the many clubs which function on the campus.

As the school year of '41-'42 draws to a close, it leaves in its wake many pleasant memories. To the members of the Sophomore class are left the memories of an enjoyable and successful year and the hope that in the coming year they will be capable of taking up their new role as juniors.

Miss Blanche McAvoy has carefully guided the class over many "bumps." The sophomores take their hats off to her as a very efficient adviser.

Freshman Class

This year the Freshman class got a flying take-off. Miss Winegarner guided and supervised the freshmen through their new experiences in high school.

The Student Council, in collaboration with the Walter Dill Scott Chapter of the Honor Society, sponsored a freshman-day picnic in May. A few of the freshman boys participated in the sports program. They all displayed a fine, American spirit and true sportsmanship.

Many members of the Freshman class enrolled in the music department of U. High. The chorus had in its number many of these ambitious, young students who participated for enjoyment as well as for the prestige of their class. The freshmen were also well represented in the orchestra and band. Different members of the class enrolled in the Dramatics Club, Rostrum, Home Economics Club, *Clarion,* Art Club, and Chess Club.

Under the direction of Miss Winegarner, the class held a meeting in February for the purpose of electing officers. A short discussion was held to delineate the qualities which a good officer should possess. Mary Lou Stover was chosen to lead the class through the rest of the year. Gene Van Dyke was elected vice-president, and Sally Stretch was designated to assume the office of secretary. Sally started her work immediately by taking charge of the nominations. The treasurer chosen was Kenneth Keighin. Marilyn Mette and William Benjamin were chosen to represent the Freshman class on the Student Council.

As the school year closes, the Freshman class looks forward to its sophomore year at U. High. They sincerely expect it to be as successful as the past year has been.

Our Boys In Service

ALVA JEFFERSON

STUART BILL

University High School is proud of its graduates and former students who have taken their places in the armed forces of the nation to aid in the struggle for freedom. At the outbreak of this conflict, two students from the class of 1942, Alva Jefferson and Stuart Bill, left their classes and rallied to the colors. Jefferson chose the Marines, and Stuart Bill, the Army. We, the students and faculty of University High School, look with pride upon the patriotic action of these boys.

To the honor of these and the former students and alumni now in the service, we dedicate this page.

Student Council

This year the governing body of University High School, the Student Council, had as its president, Paul Limber; vice-president, Joyce Johnston; secretary, Oma Satterfield; and treasurer, Kay Johnston. The Student Council was under the supervision of Dr. Larsen and Miss Ebel. Members consisted of two representatives from each class.

The Student Council successfully carried out plans in October for the U. High homecoming, one of the largest social functions of the year.

One of the outstanding projects which the Student Council completed during the year was the clean-up campaign. Posters appeared on the bulletin board with such slogans as, "It ain't funny; paint costs money." Tags worn by the students suggested keeping the buildings clean.

U. High, led by the Student Council, did its bit for national defense. In addition to selling national defense stamps, it sponsored a dance for which the admission was a ten-cent defense stamp. Through the Student Council, University High School became a member of the Junior Red Cross. The vocational classes in home economics, manual arts, and agriculture studied on projects for the Junior Red Cross.

Officers for the following year were elected on March 30, and these officers were sent later in the spring as delegates to the Student Council convention in Chicago. Assisting with freshman-day plans was another activity of the Student Council for 1941-1942.

Dr. McAvoy, B. Bunting, J. Johnston, H. Bliss, C. Karr, J. Chapman

Social Committe

This year marks the trial of the Social Committee. It was founded and put into active service to provide for U. High's entertainment. As it has tried to please the student body in all possible ways, U. High feels very fortunate in having such a committee. It is quite evident that such an organization has been needed for some time.

Each class of the school is represented by one member. Harlan Bliss represented the Senior class; Barbara Bunting, Junior class; Joy Chapman, Sophomore class; and Carol Karr, the Freshman class. Joyce Johnston was the representative of the Student Council, while Miss McAvoy served as sponsor of the committee.

During this year the committee has been responsible for many various events and dances, and we hope that they will continue their good work in years to come. The committee stands ready at all times to receive helpful suggestions.

Thalian

Thalian Debating Society has just been called to order. After the secretary calls the roll and reads the minutes, four members debate. Every Monday evening this procedure is followed. The girls are privileged to have Mr. Barger as sponsor to give them pointers on debating form.

Thalian won its first debate with Rostrum and are retainers of the Ferd C. McCormick cup. They are hoping to be as successful when they again clash with Rostrum. Two other outstanding debates have been given, one for assembly and the other for a parent-teachers' meeting.

Thalian also sponsored an all-school party, the "Cherry Tree Hop." The Velma Horn Meyer Award was given to Charlotte Ratcliffe as best all round senior.

The first semester officers were Gloria Sampson, Charlotte Ratcliffe, Patsy Cross, Margaret Harvey, and Isabel Gottschalk.

Assembly Committee

Keeping up the morale of the students is the job of the Assembly Committee. This committee is composed of members from the four classes and the Student Council. This year the representatives were: Student Council, Bill Ellison; Senior class, Paul Snow; Junior class, Patsy Cross; Sophomore class, Martha Behr; and Freshman class, Roderick Abbott.

A number of entertaining programs were presented by the students and faculty of University High School. To provide variety on the programs, several entertainers were brought in from the community. One program of particular interest was a demonstration on liquid air.

Due to the able assistance of Miss Hamilton, the Assembly Committee has produced a series of programs which were both interesting and educational to the students of University High School.

M. Behr, P. Cross, Miss Hamilton, P. Snow, B. Ellison, R. Abbott

Rostrum

For many years one of the most outstanding clubs in University High School has been the Rostrum Debating Society. The club this year has upheld the tradition of the past.

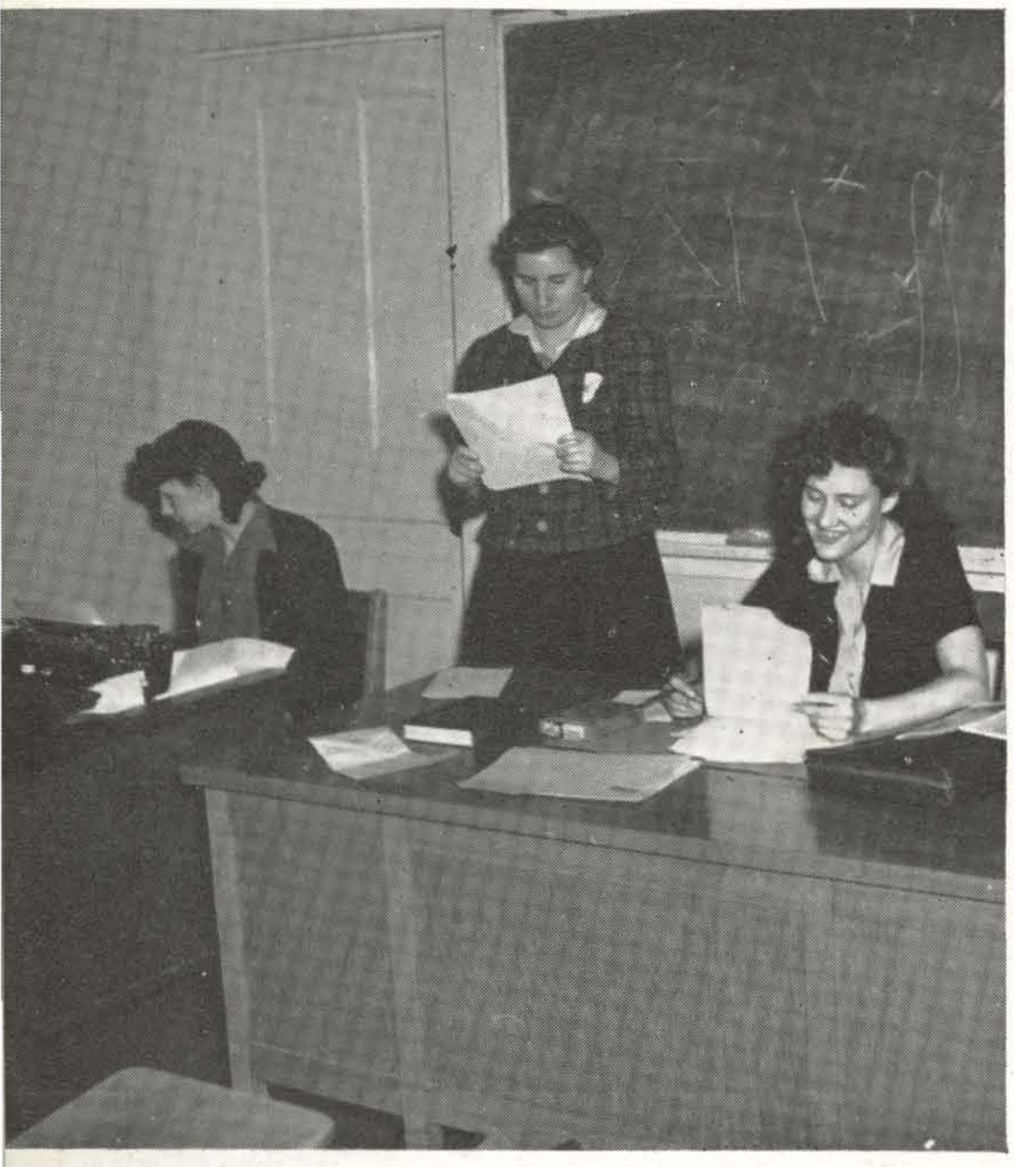

Members elected to lead the club for the first semester were: Paul Limber, president; John Coale, vice-president; and John Douglas, secretary-treasurer. Chosen to serve the second semester were: William Ellison, president; Ray Herrington, vice-president; William Miller, secretary-treasurer. The fourteen members of the society met every Monday evening at seven o'clock under the able supervision of Dr. William Lueck.

The outstanding competitive events of the year 1941-1942 were the two Rostrum-Thalian debates. This has been an annual affair for almost thirty years. Another important occasion was the traditional Rostrum banquet, which was held in the latter part of the second semester.

Clarionette

This year the *Clarionette* staff, headed by editors Edna Dugger and Ellen Jones, under the capable leadership of Dr. Edward R. Johnson, has had a thriving year. Busily settling down to the job of publishing the high school newspaper, the staff has exhibited a fine journalistic spirit and those skills which are so necessary to the publication of a good paper. University High is exceptionally fortunate in having the facilities with which to print the *Clarionette.* We feel that we owe a vote of thanks to the University students in the I. S. N. U. print shop, who have helped make publication possible.

First semester officers included: Bruce Armstrong, managing editor; Richard Hall, news editor; and James Heavey, sports editor. The second semester staff members were: Ellen Jones, editor; Edna Dugger, managing editor; Josephine Fagerburg, news editor; and Sheldon Smith, sports editor.

One of the highlights of the year was the Illinois Press Conference, held at the University of Illinois, October 10 and 11. The members of the *Clarionette* staff hope they have gathered information that will aid them in turning out a better paper in years to come.

Seated—C. Bessemer, B. Miller, S. James, K. Johnston, B. Ellison, V. Young, Mr. Vetter

Clarion

The *Clarion* staff of 1941-42 faced its task with enthusiasm and originality. Complications resulting from unprecedented rises in paper, cover, and engraving costs were serious and threatened at times to stop the work entirely. By careful budgeting and repeated revision, the original ideas and enthusiasm have been saved although the book had to be shortened one signature.

The members of the staff have shown initiative and independence in their work in addition to a loyalty in keeping with the theme of the book. They have been good soldiers and have worked diligently to the end.

The editor has had a difficult job; but because of her leadership, she has pulled the staff through thick and thin. The other department heads have also been very busy with their various duties of proof reading, picture taking, and the many other tasks that make such a yearbook possible.

Of course, all is not hard work. The *Clarion* staff has proved that people can have fun while they work. Such a philosophy has had a great deal to do with making this yearbook what it is.

Emerging from a successful year, we of the *Clarion* staff feel that a large part of our success is due to the expert guidance of our sponsor, Mr. Dale B. Vetter; and we sincerely appreciate the time and effort he has given toward the publication of our yearbook.

Seated—K. Johnston, E. Dunn, S. James, C. Ruff, W. Bowen, V. Mauney, C. Ratcliffe

Honor Society

The Walter Dill Scott Chapter of the National Honor Society, under the direction of Dr. Ellwood, has just finished a successful year. This society was founded on the four principles of scholarship, leadership, character, and service.

This year the Honor Society began by initiating the following new members: Bill Ellison, Shirley James, Emily Dunn, Jim Heavey, Winifred Bowen, Paul Snow, Harlan Bliss, Charlotte Ratcliffe, Virginia Mauney, and Paul Limber. Members initiated in their junior year were Clara Ruff, Kay Johnston, and Robert Cass.

One of the outstanding events of the year was the making of a school calendar which will be presented to all new students next fall. Another event enjoyed by all was the annual banquet with Normal Community High School. In the spring several junior classmen were chosen to take the places of the graduating seniors.

Seated—Miss Winegarner, Dr. Larsen, Mr. Ivens, B. Cross
Standing—Dr. Waggoner, K. Johnston, W. Amacher, G. Sampson, C. Ratcliffe

Apportionment Board

Economy, cooperation, and security—these are the principles upon which the University High School Apportionment Board is founded. Since the duty of the board is to divide the money received from activity fees among the various organizations of the school, a hard working group of cooperative members is extremely necessary.

This year's representatives included: Betty Lou Cross, Freshman class; Wilbur Amacher, Sophomore class; Gloria Sampson, Junior class; Charlotte Ratcliffe, Senior representative; and Kay Johnston, Student Council. Faculty advisers were Dr. Waggoner, Miss Winegarner, Mr. Fogler, Dr. Larsen, and Mr. Ivens. This year's chairman was Mr. Fogler, with Charlotte Ratcliffe serving as secretary.

Industriously disposing of all the school's financial problems in one meeting, the board displayed the same fine, cooperative spirit and sense of responsibility which is essential to the success of any endeavor.

Science Club

Being a part of the Research Staff, the Science Club is very important. Every Wednesday from six-thirty until eight o'clock an industrious group of scientists met in the science building. Each of the members of the club chose a project and worked on it until it was completed. The projects were entered in the Illinois Junior Academy of Science in the spring. Miss Harriet Jacquat and Mr. Leroy Bury, Illinois State Normal University students, gave much help to the members, while Dr. Blanche McAvoy served as faculty sponsor and proved to be an excellent leader. John Douglas was the state representative from the club, being secretary of the Illinois Junior Academy of Science. The editor of the club newspaper was Jean Lamkey.

D. Wood, W. Amacher, W. Sylvester, J. Lamkey, D. Bartram, J. Douglas, Dr. McAvoy

Dramatic Club

The Dramatics Club was newly organized again this year under the direction of Miss Mabel Clare Allen. They started the year by choosing the following officers: Joan Rhinehart, president; and Mary Lou Stover, secretary.

The Christmas assembly, in charge of the Dramatics Club, presented a one-act play of a medieval Christmas. This was so well received that it was immediately signed up for two more assemblies. "Elmer" and a variety program were then presented.

The members of the Dramatics Club received a great deal of valuable information concerning dramatic production. While most of the members were in the casts of the plays, the others were working on make-up, scenery, costumes, and stage committees. This plan gave everyone an opportunity to assist with the productions.

"A Day In The Sun"

On November 18, 1941, University High students and friends gathered in Capen Auditorium. The gay occasion was the Junior play, "A Day in the Sun." The lights were dimmed, the curtains parted! Behold the play.

The story has to do with a young man, Charlie. He reads in the newspaper of a murder trial. Charlie remembers that he saw the condemned man in the public library the night of the murder. He sticks to his story and finally captures the real criminal.

The cast, headed by Charlotte Goff and Eugene Meatyard, included the following: Mary Brown, Phyllis Watkins, John Sage, Fred Rozum, Maralyn Holley, Robert Fletcher, Patsy Cross, John Thiel, Roy Bundy, Walter Christen, Richard Hall, Rita Vanderwater, Betty Foreman, and Hilton Jannusch.

Miss Ruth Yates directed the play and was assisted by Paula Vermillion and Carroll Anderson. Charlotte Ratcliffe, Shirley Hanback, and Hilton Jannusch assisted as stage hands. Isabel Gottschalk and Phoebe Steigelmeier composed the properties committee. Costumes were in charge of Florence Houghton. Ushers included Florence Houghton, Marjory Melick, Sam McKibbin, William Herr, Beverly Blair, and Ray Herrington.

B. Ellison, C. Ratcliffe, V. Mauney, H. Hallam, H. Jannusch

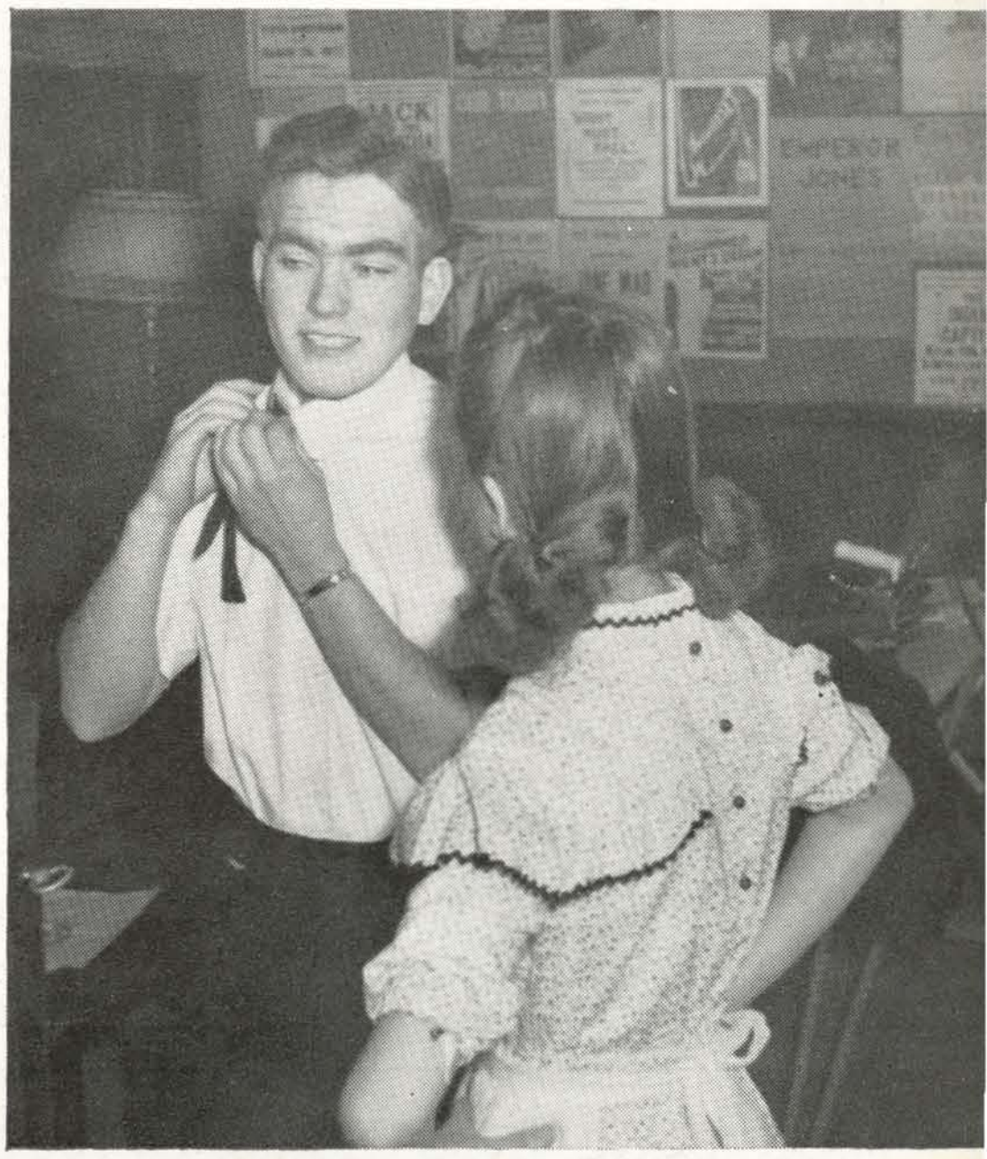

"Alice Sit By The Fire"

"Alice Sit by the Fire," the Senior class play, was given March 9, 1942 in Capen Auditorium. A matinee was given March 5. This comedy was written by J. M. Barrie, famous English author. Barrie's play was directed by Miss Ruth Yates, who is a member of the Illinois State Normal University speech department.

Charlotte Ratcliffe, as Alice; William Ellison, as Colonel Grey; Hetty Hallam, as Amy; and Virginia Mauney, as Genivra, were the leading characters. Other members of the cast included Hilton Jannusch, Mary Sizemore, Paul Limber, Carol Oberst, and Wini Bowen.

The very important property committee consisted of Sherma Dabney, Clara Ruff, Kay Johnston, Barbara Reiley, and Vauna Jean Young. In charge of costumes were Shirley James and Ellen Jones. Kay Johnston and Mary Sizemore were on the scenery committee.

The play takes place in the early 1900's. It is a story of a very self-centered mother who doesn't seem to understand her growing children. In the end she sees her mistakes and becomes a real mother to her children. Everyone left the auditorium well satisfied with the performance.

Standing—W. Sylvester, K. Johnston, D. Anglen, C. Ruff, E. Christen, R. Dee

Art Club

The Art Club this year has given an account of itself in many ways. During the Christmas season, the members were responsible for the beautiful, stained glass work in the lower halls as well as for a very interesting assembly program. Posters and pictures for the campaign to keep the U. High halls clean were designed by the Art Club.

The Art Club is for students who are interested in learning more about art and about work with art materials. Regular meetings were held on the first and third Wednesdays of the month.

Clara Ruff held the office of president of the club; Isabel Gottschalk, vice-president; and Wilbur Sylvester, secretary. As a whole, the club has a great deal of promise for the future.

Miss Ogle took the responsibility of training and guiding this organization as it worked for the forwarding of art appreciation in University High School.

Seated—L. Lloyd, L. Guidoni, H. Hallam, L. Lee, B. Reilly
Standing—P. Watkins, P. Cross, O. Oesch, C. Oberst, P. Stiegelmeier, Miss Webb, V. Young, C. Sollo

Commerce Club

On the second and fourth Wednesdays of the month, future business magnates and small town secretaries of tomorrow wend their way toward Old Castle and Commerce Club meeting.

The officers for the past year were: Hetty Hallam, president; Phyllis Watkins, vice-president; Barbara Reiley, secretary-treasurer; and Miss Mary Webb, faculty sponsor.

The club members saw various methods of conducting business in practical operation in several different business houses in Bloomington-Normal. Talks were also given by Maymie Harris about her work at the State Farm, by Vauna Jean Young on a trip East, and by Miss Tucker on etiquette. Following Miss Tucker's talk, the club gave a tea for the faculty.

The club's constitution was rewritten. Club members have also donated their clerical services to the Red Cross for the past year.

Home Ec Club

The Home Economics Club, under the leadership of Lola Lloyd, president; Beverly Gierman, vice-president; and Rita Vanderwater, secretary and treasurer, enjoyed a very successful year. Miss Bernice Tucker served as this year's sponsor and adviser. The girls are truly appreciative of her splendid cooperation and her untiring efforts in the interests of the club.

The program for the year consisted of many interesting things. In a November meeting, Lola Lloyd and Rita Vanderwater gave a report on their trip to the home economics part of East Bay. On December 17, a Christmas party was given; January 17, vacation experiences were related; February 4, a program was presented by the Home Economics I class; March brought forth the club's annual banquet. The program for the year ended in May with a big picnic at which the officers for the next year were chosen.

Standing—B. Rediger, E. Adams, C. Smith, R. Vanderwater

Chess Club

Of all the clubs in University High School, the Chess Club is probably the most unique. A new organization now in its third year, this club has a large and faithful following. The only formal meeting of the group is for the election of officers. This year the worthy member again chosen as the president was Bill Miller.

The meeting places of the Chess Club were wherever there was a solitude and a smooth surface for a chess board. The meetings were called whenever two members felt the urge for a stimulating game of chess. Dr. Larsen, who was faculty sponsor of the Chess Club, attended these meetings frequently. Interest in chess was kept alive by the annual tournaments in which the club members participated.

Band

One, two , three, and play! If a person were to step into rehearsal hall any fourth hour, he might hear these familiar words. At least they are familiar to University High's band members. There the observer would see Mr. Peithman, the conductor, furiously waving a baton while the band is playing at his bidding.

The band, one of the school's best morale builders, has played at both football and basketball games and has seemed to be a big help. Another way in which the band helps the school is by presenting at least one assembly program a year. This is a very colorful affair, the gold braid on the coats fairly sparkling, the white trousers or skirts so fresh and crisp.

The band is a very busy organization, so for the last two years it has elected officers to handle its business. This year's officers are: Bob Fletcher, president; Phyllis Stiegelmeier, vice-president; and Bill Popejoy, secretary. These officers get together with the representatives from the chorus and orchestra and try to make Mr. Peithman's burden a little lighter.

Orchestra

The University High School orchestra, consisting of forty-one members, has completed another successful year under the able direction of Mr. H. W. Peithman. The officers elected by the group were: Bill Ellison, president; Charlotte Ratcliffe, vice-president; and Barbara Bunting, secretary-treasurer. These officers automatically became members of the music officers' board which consists of officers from all the musical organizations.

Not being able to go to the music contest because of the lack of transportation, the orchestra, nevertheless, had several chances to present performances. It made its first appearance on November 18, at which time the group played for the annual junior play. Groups playing between acts of the play were the flute trio, composed of Charlotte Ratcliffe, Carol Oberst, and Bob Fletcher, and the violin quartet. Violinists in the group were Charles Blossom, Roy Bundy, Bob Holmes, and Dick Grassfield. Later these same groups furnished the music for the Senior play.

The orchestra presented a Vesper Service Sunday, April 19, at 4:00 P.M. in Capen Auditorium. This program was greatly enjoyed by the citizens of Bloomington-Normal.

Mixed Chorus

Whenever a nation is called upon to defend itself, high civilian and military morale is imperative. Music of every kind is in great demand and answering the call for morale builders is the University High School mixed chorus under the direction of Mr. H. W. Peithman. Officers of the company included Gloria Sampson, president; Kay Johnston, vice-president; and Leroy Peyton, secretary-treasurer.

One of the many outstanding performances of the year was the presentation of the cantata, "Land of Our Hearts," by Chadwick. This cantata was given in Capen Auditorium on January 18.

Scored as another great hit for the mixed chorus was the presentation of selections from Handel's immortal "Messiah." Many compliments were received on the performance.

The University High School mixed chorus has sky-rocketed toward musical perfection in recent years; and, therefore, the members felt that there was more to be gained by using the music funds in presenting more public programs than in going to the annual music contests. For this reason the citizens of the community were able to hear several brilliant concerts during the year.

Football

As the pungent odors of autumn began to fill the air, the green and gold clad warriors pounced from Old Castle to the "cabbage patch." After hours of grueling scrimmages, they were ready to be proved on the field of glory. From the first days of September to the closing days of November, U. High's valor and supremacy were put to a test on the gridirons of Central Illinois. U. High's valiant sons assembled a total of 150 points; they were victorious in four games and lost the same number.

All during the season, from the first game to the last, the Green and Gold showed an aggressive, fighting spirit. The thrilling game of the season was the last-second victory over Chillicothe. Co-captain Jim Heavey threw a winning touchdown pass to co-captain Leland Mullens in the last twenty seconds of the game. The high mark of the season was reached when the U. High eleven trounced Normal, their neighbors across the way, by a score of 20-0.

The offensive powers in the team were the co-captains, Jim Heavey and Leland Mullens. Jim did all that was necessary in the backfield, while "Moon" was the spark-plug necessary to the line.

Ends on the team were co-captain Mullens, Robert McClain, and Wilfred Martin. Tackle positions were held down by Wendell Learned, Howard Simpson, and Kenny Scott. Wendell was a huge tackle who was seldom budged by the opposing linesmen.

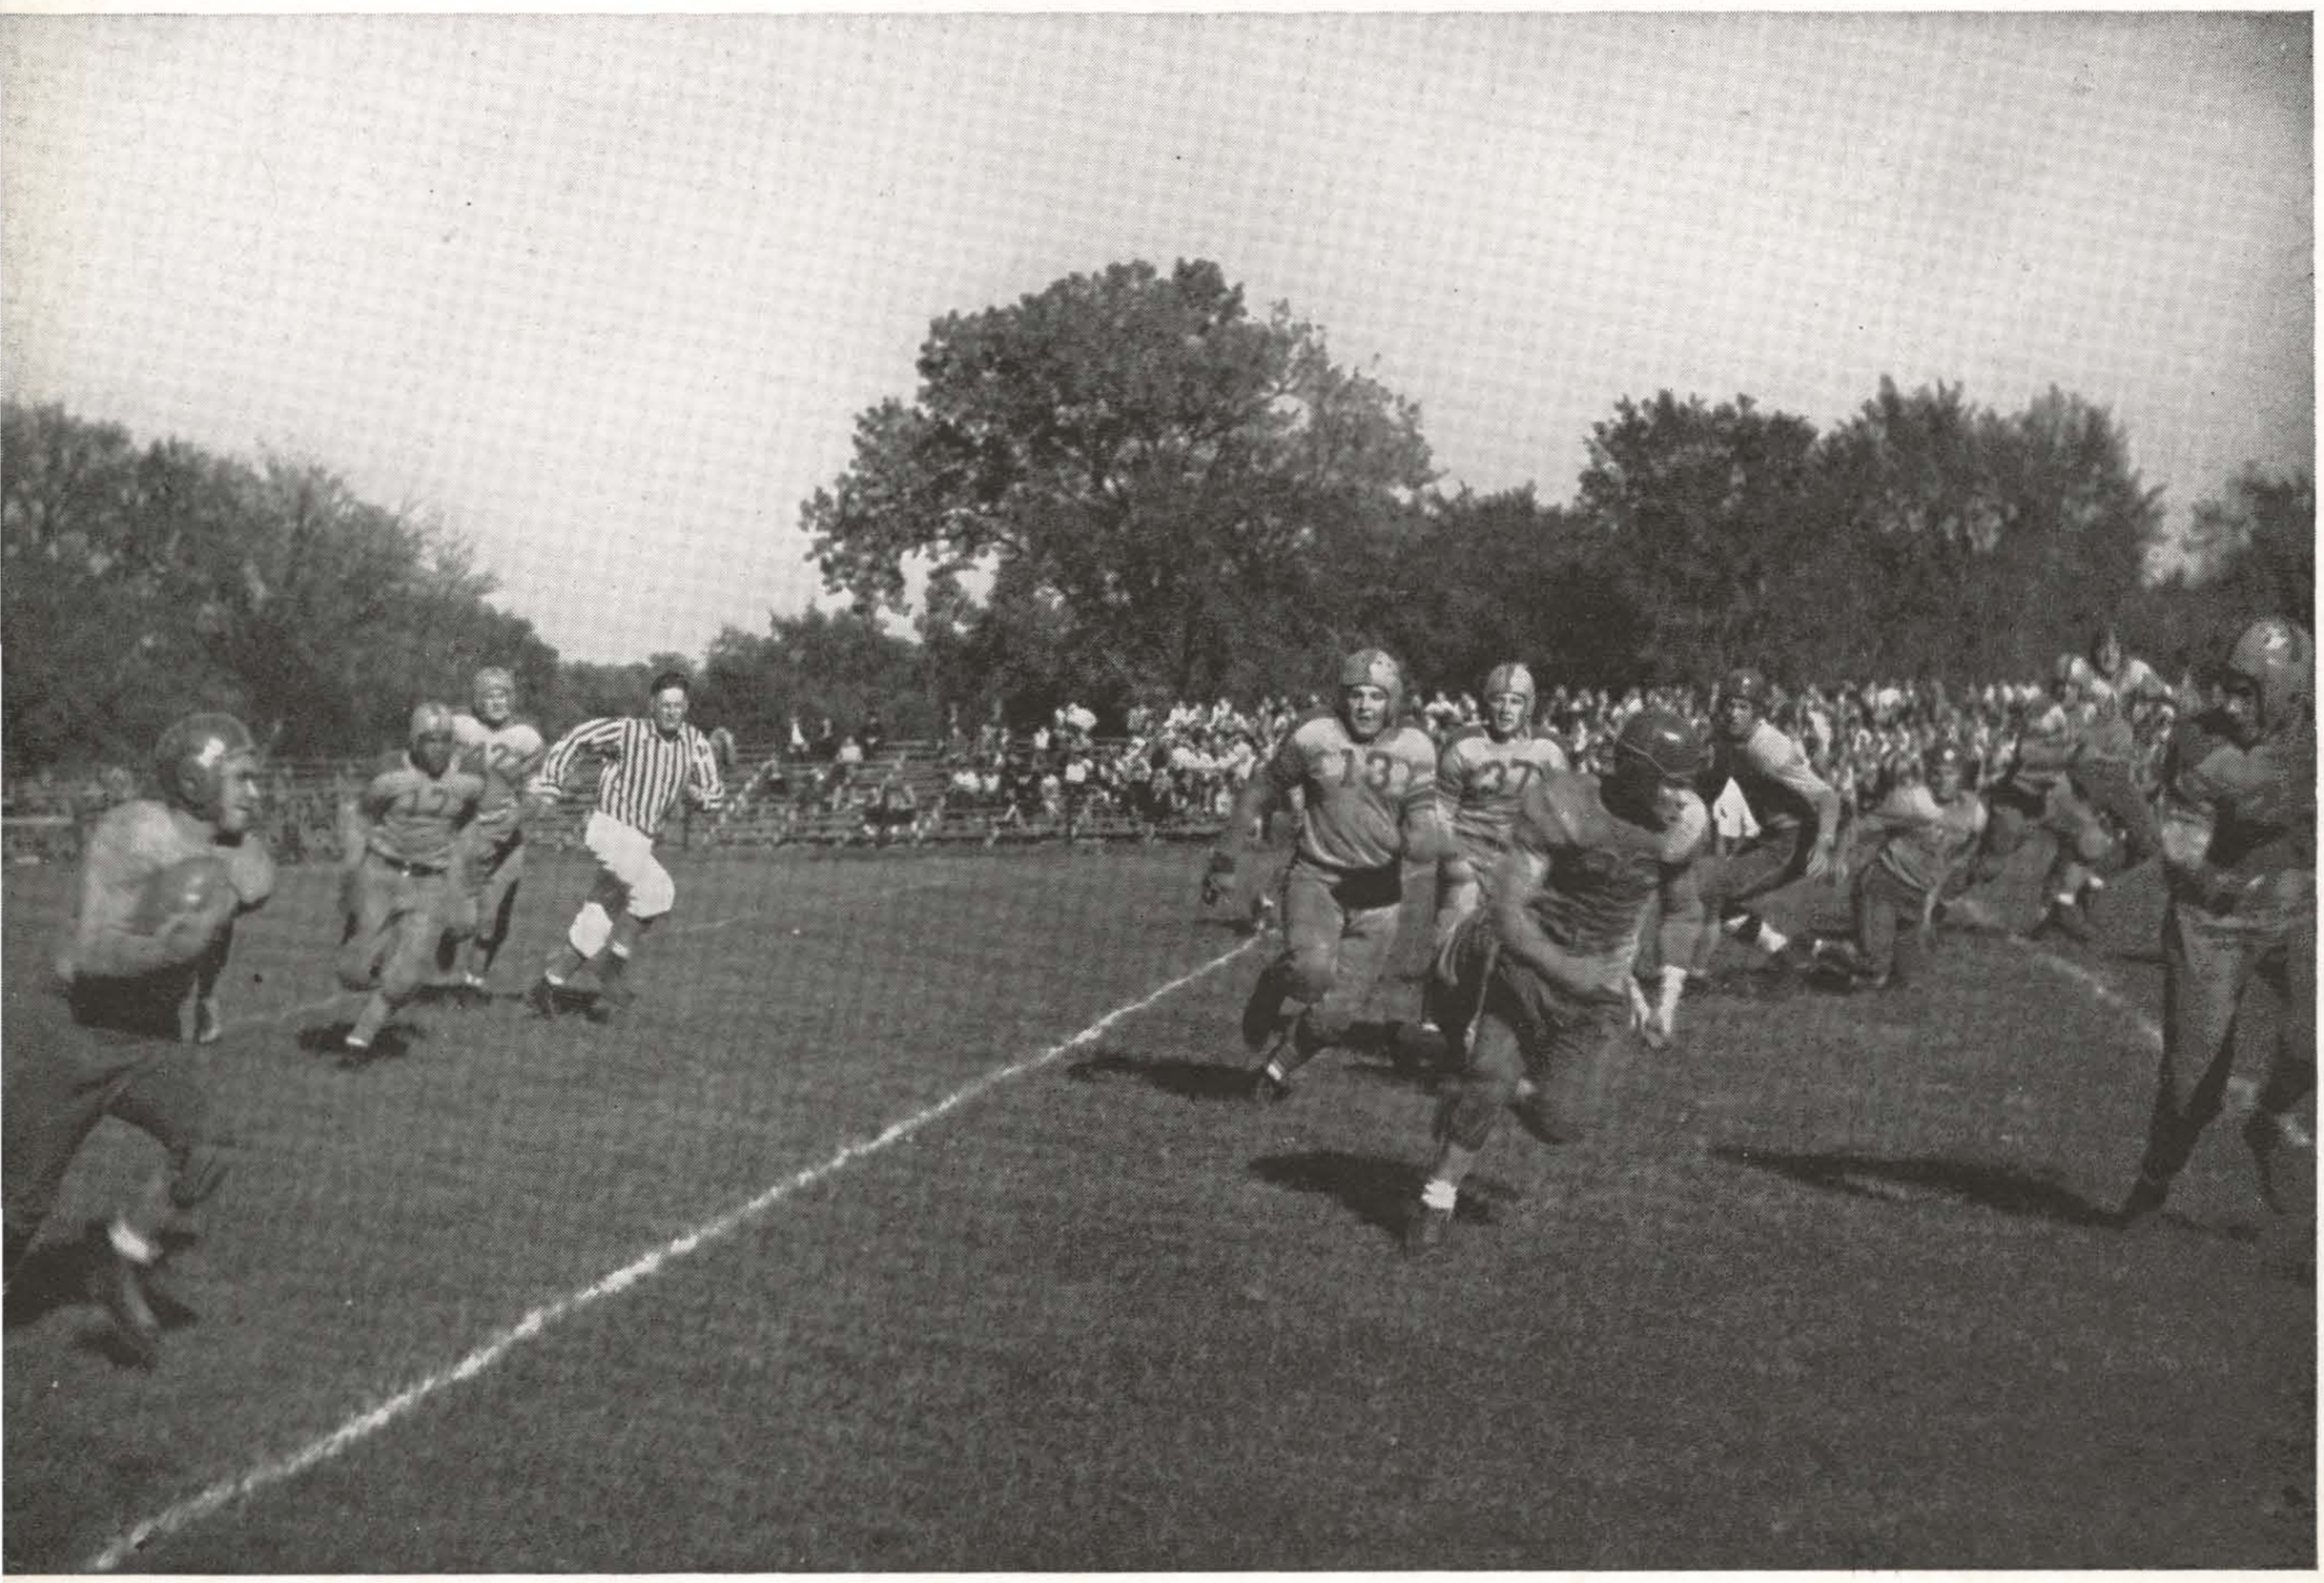

Football

Simpson also displayed strength, and Kenny, although not large, made up for his lack of size by his fighting spirit. The guard positions were held by Alva Jefferson, Vernon Lee, and Jimmy Ashbrook. This was the first year Vernon ever played football, but he took to the game like a veteran. Jimmy was a fighter all the way. At the center was Ray Firebaugh. Ray is only a junior this year and has another year to go. Donald Fuller and Bill Ellison saw a lot of action in the line.

The backfield was made up of co-captain Jim Heavey, Bess Alberts, Walter Christianson, and Leroy Peyton. Bess Alberts performed to perfection during the latter part of the season as a blocking back. Leroy Peyton and Walter Christianson were two of the best halfbacks one could hope for. Tommy Douglass, O. T. Tilley, and Eugene Schaab also saw a good deal of action in the backfield.

Graduation won't take too many from the ranks of the Green and Gold this year. The backfield were all seniors, but most of the line will return intact except for Mullens, Lee, and Martin. For this reason the hopes for the 1942 season are high.

Freshman-Sophomore Football

Although a comparatively new squad this year, the Frosh-Soph football team had a successful season. They defeated the formidable foes of Clinton, El Paso, and Trinity. Our boys lost to Bloomington, Normal Community, and Towanda. However, as a whole, the team played very good ball and ran up a total of 80 points against their opponents' 69 points.

This year the squad was under the able direction of Coach Rine and his assistant, Gene Keltner. Coach Rine sent his warriors against the teams mentioned above and had the following results: Against Clinton and El Paso the team showed great promise, beating each of these teams 13-0. When the squad battled the fighting Irish of Trinity, they eased out a 13-7 triumph. Although the fellows lost to Bloomington and Normal 21-35 and 7-13 respectively, they showed lots of fight and scoring punch. Against the Towanda High School Varsity, Coach Rine's eleven put up a hard fought battle and were barely nosed out by the score of 14-13.

Regulars on this year's squad were Cushman, Norris, and Crihfield at end; Vance, Werner, Baker, and Purington at tackle; Hammerlund at center; Fuller and Haag at guards; F. Heavey and Silkirk at quarter-back; B. Heavey and Johanpeter at half-back; and Bankert at full-back. Other members of the team were: Lawhorn and Hensen, ends; Imig and Sylvester, guards; and Benjamin and Rothenbuecher, backs.

Because many freshmen were on the team this year and gained much experience, we hope for an even more successful eleven next year.

Basketball

On December 3, U. High's 1941-42 basketball team made its debut. From that time until spring the green and gold quintet fought its way through one of the toughest schedules in recent years. U. High was victorious in eight encounters and lost fourteen. Nine of the fourteen games were lost by seven points or less.

The green and gold warriors were at the height of their power when they defeated the Dwight team, previously undefeated in conference play, by a stunning score of 40 to 18. The most heart-breaking loss of the season was to Bloomington on its own court by a score of 34 to 30. The Green and Gold came on the floor, decidedly the underdogs to the inter-city champions from Bloomington, but our team proceeded to outplay the Bloomington team at every quarter.

U. High went further in the tournaments than it has in the last three years when it advanced to the sectional tournament.

At the guard positions Coach O'Connor stationed O. T. Tilley and Leroy Peyton. Eugene Schaab and Orion Silkirk also saw action at these posts. The forward positions were held by Jim Heavey and Bill Wachob or Don Cushman. Vernon Lee was alternated at the guard and forward position. The center post was held down by Dick Hall with Dick Norris standing in for him.

Intramural Basketball

For the past four years, University High School has offered its students intramural basketball. Under the direction and guidance of Mr. O'Connor, the games have functioned with great success.

The main purpose of intramural basketball is to give all the boys in U. High an opportunity to play basketball. During the winter months, this sport is excellent recreation and exercise for the boys. This game also develops team work and sportsmanship among the participants. Anyone is eligible to play except those boys who are members of the University varsity or the freshman-sophomore basketball squads. In past years several boys showing unusual talent have been given positions on the varsity.

This year different teams were chosen each Saturday morning. As these teams changed every game, competition was always keen. Regular teams were impossible due to the fact that many of the boys had obtained jobs on Saturday and could not attend the games regularly. Because of this, round-robin tournaments could not be held as is previous years when each class had a team of its own. Under those conditions the teams were greatly unbalanced, because the mighty seniors were towering giants and the freshmen were dwarfs.

These games, which were held in Old Castle, were officiated by Gene Keltner and Harrison Rose. Gene is a U. High alumnus, now at I. S. N. U., and Harrison has been head manager of sports at U. High for four years. Both turned in very commendable performances.

Baseball

The U. High diamondeers had a successful season in 1941, winning ten games and losing seven. Coach Poppen planned his 1941 campaign to extend into the enemy territories of Eureka, Pekin, Clinton, Donovan, Normal Community, Danvers, Hammond, Bloomington, Champaign, El Paso, Lexington, and Decatur.

Lettermen returning from the state semi-finals were Art Gardner, "Moon" Mullens, Bob Smith, Bob Fleming, Lowell Hunter, and Bob Clark. These boys, together with the rest of the team, gave Mr. Poppen a good nucleus for the 1941 campaign. With these fellows playing consistent ball, the "Poppenpowerhouse" was able to win its fifth consecutive Cornbelt title.

The best games of the year were those with Bloomington. All three encounters were very close and were great pitching duels between Bob Smith of U. High and George Erickson of Bloomington. The bombing diamondeers romped over our other inter-city foe, Normal Community, twice with scores of 14 to 3 and 7 to 1.

Letters for 1941 were awarded to pitchers Bob Smith, captain of the team, James Sanders, and Ralph Copeland. Infielders receiving letters were Leland Mullens, William Dycus, Harold Atkins, Art Gardner, and Walter Christianson. Outfielders getting awards were Gale Alberts, Bob Fleming, Bob Clark, and Edward Peiffer. Harrison Rose, capable manager, also received his letter.

Since Coach Poppen has a year's leave of absence, the team this year is under the able leadership of Coach Rine. Although there are few lettermen returning for 1942, we feel sure that Coach Rine will turn out a good team, and we wish him the best of luck.

Track

Coach O'Connor's thinly-clad track team of 1941 was seen whizzing around the University High School cinder path. As usual, University High School kept its status as a track menace in this section.

After winning meets with B. H. S. and Congerville, U. High was a close second in the Cornbelt tournament, getting 46 points to Pontiac's 57½ points and Normal's 37½. U. High also made a good showing in the district meet held at Monticello. Coach O'Connor selected Dave Keltner, Wilfred Martin, Ed Holcomb, and Joe Martchiniak to represent our school. Our team placed fifth in the meet. Joe Martchiniak and Dave Keltner qualified for the state meet.

Track men receiving letters were Dave Keltner, Ed Holcomb, John Martchiniak, Joe Martchiniak, Henry McKibbin, Wilfred Martin, George Doggett, Calvin Stillman, Jim Heavey, Bob Crihfield, Glenn Alexander, and Ernest Radley, manager.

First Row—G. Orendorf, B. Heavey, F. Heavey, H. Waters, C. Stillman, G. Alexander, D. Fuller

Wrestling

The wrestling corps of University High School was directed this year by Ray Wesley, who is a veteran wrestler and captain of this years Illinois State Normal wrestling squad.

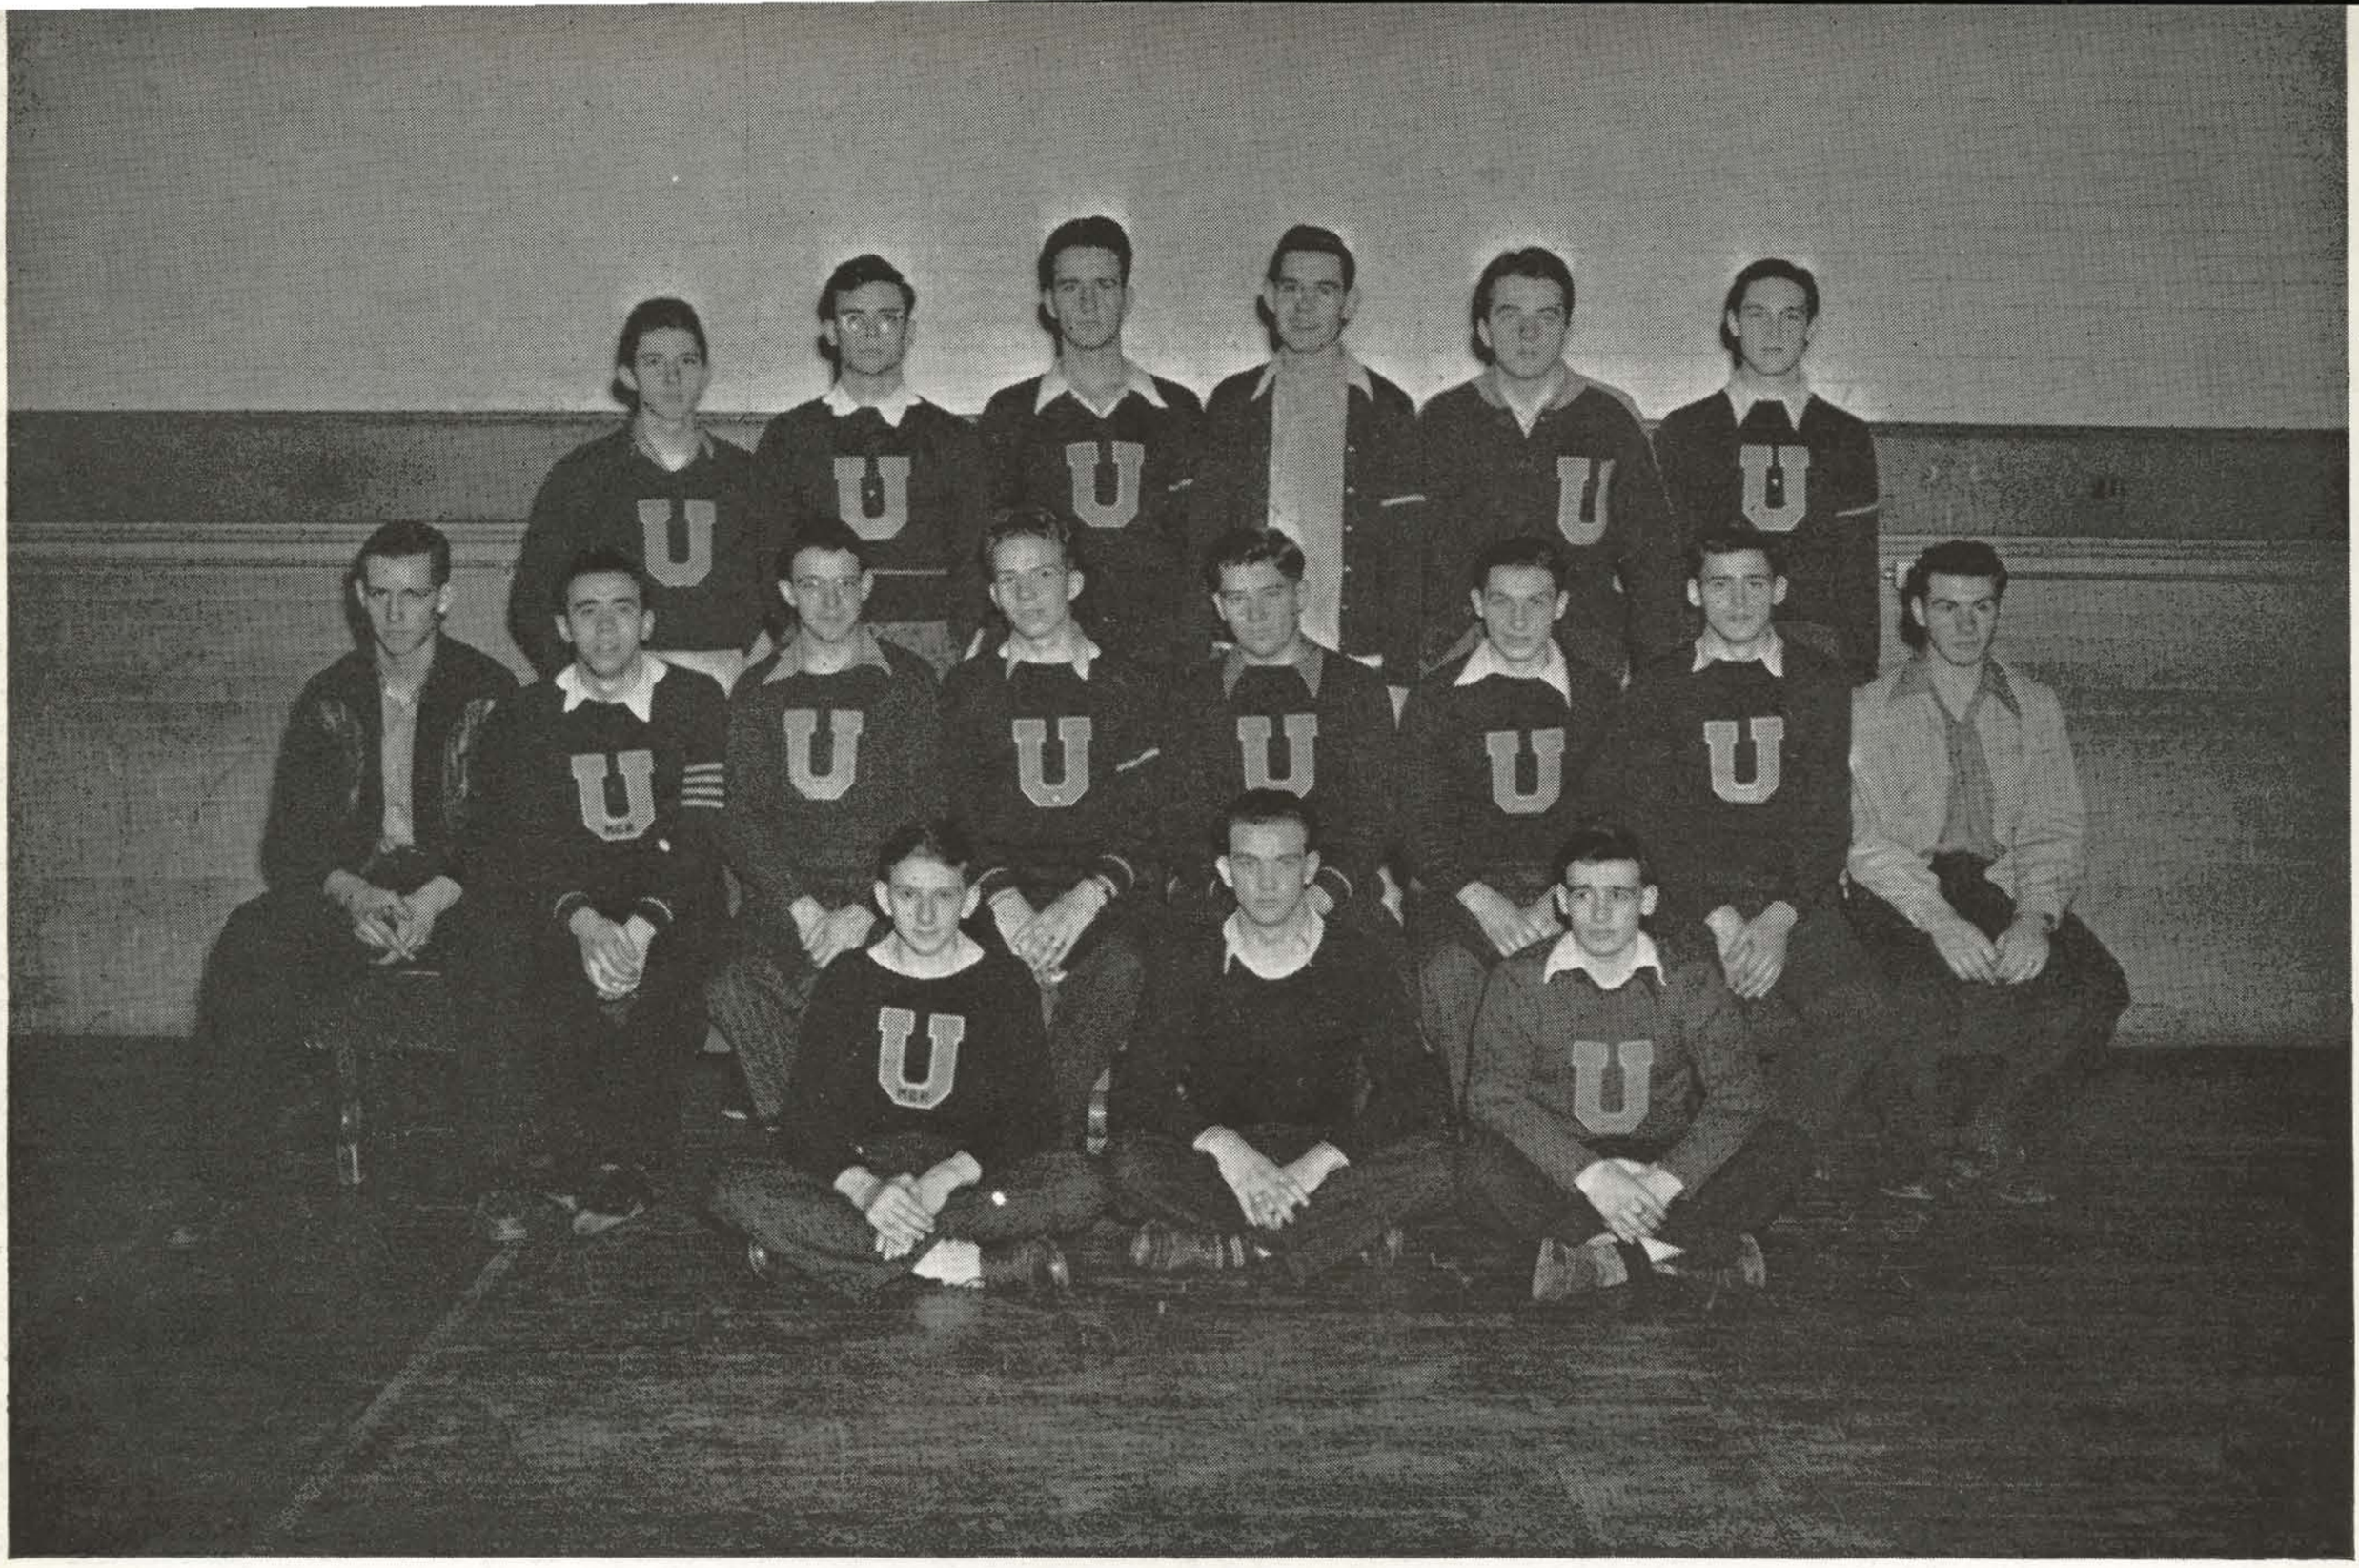

Although losing seniors Ed Holcomb, Hal Diehl, Charles Greenwood, and Ed Wresinski by graduation, the matmen of U. High made a good showing in their various meets. Our team has a tough schedule, meeting strong teams from Peoria Manual, Peoria Woodruff, and Catlin. Despite the lack of returning lettermen and the lack of experience, our boys proved they were capable; and so we are more hopeful for next year. Tom Douglass, lone returning letterman, was out of competition about a month due to an attack of appendicitis.

Members of this year's grunt and groan chorus were George Morris, Sheldon Smith, Tom Douglass, Bob Lawrence, Gino Ullian, Ralph Jefferson, Ralph Bankert, John Ullian, John Thiel, and Bob Wresinski.

U. Club

In University High School there is a club composed of those boys who have earned an athletic letter. This club is widely known as the U. Club. Symbolic of specific achievement and success, the U represents service to our school. When a letter has been earned in some sport, a boy automatically becomes a member of the U. Club.

This club was organized in 1936 but holds no regular meetings. However, under the able leadership of Coach O'Connor, the club helps in many ways to advance the sports program at University High School. Members may be called upon at any time to assist at athletic events. One of their duties is to take charge of tournaments held here at U. High. They also serve as ushers for sports programs. They may be asked to serve as ticket takers for various sports events. When visiting teams come to U. High, they are welcomed by those members of the U. Club not participating in the current sport.

Three years ago the U. Club purchased a large record book. Every boy gaining a letter in athletics is given the honor of signing his name in the book. This gives the school a permanent record of athletics and the names of all lettermen.

Each spring the U. Club helps to sponsor the annual sports banquet. This banquet is for all athletic associations in our school.

G. A. A.

The Girls' Athletic Association had a high and prosperous year under the leadership of chairman Florence Houghton, assisted by secretary Ellen Jones. Miss Katherine Thielen, girls' physical education instructor, again served as sponsor and did a very commendable job.

Chief objectives of the G. A. A. are: first, to encourage girls to participate in sports and by so doing build healthy bodies and thus become active citizens and assets to their country; second, to build clean, sportsmanlike, and capable characters; and third, to build new and interesting social contacts.

During the year Marilyn Holley served as head of the basketball department. Patricia Lawrence was head of bowling for the past year. Basketball and bowling were the chief fall and winter sports. When spring came, the girls turned to the outdoors for their activities; and there they participated in archery and tennis.

Once a month the girls gathered for social events; picnics, skating parties, swims, and recreational games were favored by most of the girls for their monthly outing. Although no interscholastic games were played, the club frequently exchanged play days with surrounding schools.

Of interest to University High students will be the fact that Miss Gertrude Stephens of this faculty was instrumental in bringing about the Illinois League of High School G. A. A. For twenty-one consecutive years the U. High G. A. A. has belonged to this league and has participated in its work and activities.
